Week 1 Mad Scientist STEM Camp

June 25th-June 28th, 2018

Explore your inner scientist! We will do fun experiments each day and learn all about the scientific process.

Week 2 Pirates and Princesses STEM Camp

July 9th-12th, 2018

Come on out you swashbuckling pirates and princesses for a week of adventure and fun! We will go on a quest to find some treasure while learning about maps, gems, and rocks!

Week 3 Experience Art Camp

July 16th- July19th, 2018

Campers will explore different artists each day, learning about their lives, the type of art they created and fun art techniques. The week ends with an art show of the children's work!

Week 4 Pacific NW Animal STEM Camp

July 23rd-July26th, 2018

Campers will learn all about animals of the Pacific Northwest! This fun camp will highlight specific animals and how to find their tracks!

Week 5 Music and Movement Camp

July 30-August 2nd, 2018

Campers will explore the art of dance and movement! They will learn about famous dancers and learn 3 short routines and some simple tumbling.

Week 6 Theater Camp

August 6th-9th, 2018

Campers will learn improv games, a small play, and perform for invited guests the final day of camp!

Week 7 Construction and Building Camp

August 13th-16th, 2018

Campers will be creating and building all week! We will work on a cumulative project that will include the use of a hammer, nails, wood, sandpaper, paint and more!

Week 8 Water Fun STEM Camp

August 20th-23rd, 2018

We will be doing experiments, learning about and playing in water! Plus, have fun getting wet!

Week 9 and 10 FOUNDATIONS Kindergarten Prep Camp

Week 9, Session 1: Aug 6th-10th, 2018 11:45-3:45 pm

Week 10, Session 2: August 13th-17th, 2018 8:00am-12noon

This is a Kindergarten Boot Camp for only children entering Kindergarten the fall of 2018! Areas of focus include handwriting, name spelling, letter review, number review, appropriate manners at school and how to eat lunch at school!
