Super Hero Camp

June 22-25, 2020

Explore your inner superhero! Children will play and enjoy creating their own custom hero during the week while tumbling and other large motor fun!

Pacific NW Animal STEM Camp

July 6-9, 2020

Campers will learn all about animals of the Pacific Northwest! This fun camp will highlight specific animals and how to find their tracks!

Mad Scientist STEM Camp

July 13-16, 2020

Explore your inner scientist! We will do fun experiments each day and learn all about the scientific process.

Experience Art Camp

July 20-23, 2020

Campers will explore different artists each day, learning about their lives, the type of art and fun art techniques. The week ends with an art show of the children's work!

Pirates and Princesses STEM Camp

July 27-30, 2020

Come on out you swashbuckling pirates and princesses for a week of adventure and fun! We will go on a quest to find some treasure and explore fairy tales all week.

Music and Movement Camp

August 3-6, 2020

Campers will explore the art of dance and movement! They will learn about famous dancers and tumble!

Water Fun STEM Camp

August 10-13, 2020

We will be doing experiments, learning about and playing in water! Plus, have fun getting wet!

Construction and Building Camp

August 17-20, 2020

Campers will be creating and building all week! We will work on a cumulative project that will include the use of a hammer, nails, wood, sandpaper, paint and more!

FOUNDATIONS Kindergarten Prep Camp

Session 1: August 24th-28th 2020 8:30-12:30 pm

This is a 5-day Kindergarten Boot Camp for only children entering Kindergarten the fall of 2020! Areas of focus include handwriting, name spelling, letter review, number review, appropriate manners at school and how to eat lunch at school!
